### GPGC Pheasant Hunt

Joe Bettachi and I (Ted Preston) are planning a Kansas pheasant hunt during the week of November 8th through 12th (arriving Monday; hunt Tues. through Thurs.; leaving Friday). We've hunted this area before and have had some excellent hunting for wild birds. They hunt on 30,000 acres for wild birds and have 2,400 acres designated for released birds for those that want to hunt for additional birds after the limit for wild birds (4 birds/day).

As with any pheasant hunt, the more the merrier! You can get more info at their website [www.7Lhunting.net](http://www.7Lhunting.net).

Anyone interested can contact me (Ted Preston) at 817-498-7773; or Joe at 972-664-1890.

## Beginner League Ends

The last Tuesday in May was the last scheduled evening of the beginner shotgun league. Many of the participants will continue to come shoot at different times to hone their skills. Although this spring was the smallest turnout ever for the league, the enthusiasm was the highest. We had five women shooters, two 10-year-old boys and a variety of others. Please encourage these new shooters when you see them.

I want to give a special thanks to all the members that helped with instruction. We had so many that everyone received personal attention and felt welcome.
