Sporting Clays at Dallas Gun Club

September 16th Grand Prairie Gun Club was represented by Walhood's Vikings at the CCIM Benefit Sporting Clays Tournament. The weather was as hot as the shooting. Our team took its usual second place -- always a bridesmaid. The team consisted of **Captain Randy Walhood, Benny Emmons, Bill Schweitzer, Terry Cullender** and **Vic Marshall**. **Benny** was our high shooter and **Randy** was the tail.

If you have never shot sporting clays, we suggest you give it a try. It is a lot of fun. Maybe next year will be our year!!

Hunter Ed

September 18, 2004

The September Texas Parks and Wildlife Hunters Education class was our first class involving "Home Study Only" students. There were 52 students present to complete the all day training. This large number just proves the power of technology as these individuals did their "home study" through the internet.

Jan Heath, area chief, led the overall training. **Ronnie Wisdom** taught the archery sessions, the only one with A/C. **Ray Cetrone**, **Will Stilly** and **Joe Cawthon** led the shotgun instruction with Joe also serving as our lovable game warden. **Kimbal Markwardt** and **Richard Bailey** instructed rifle and muzzle loading, respectively. **Jim Markle** produced his usual voodoo in the survival instruction. **Randol Schmitt** and **Ed Kilgore** led the field instruction with **Jerry Crouch** supplementing and taking care of water for all outdoor activity. It was a very hot day. When is fall coming?

Suzy Duffek provided her always stellar organizational and clerical support. We would be lost if we tried to use one of the guys for the magic she performs. Thanks Suzy!!!

Carolyn (Maggie) Lloyd and **Brittney Lewis**, both assistant instructors supplemented in numerous areas.

Recommendations

Have you been impressed with a service lately??

Let the members know.

Johnny Green came through again. My son, Vic Marshall, was practicing Monday for our sporting clay event the following Thursday and his Citori malfunctioned. I took the gun to Johnny Wednesday and he had it repaired the next day so Vic could use it Thursday. Is that service or what?? Johnny gets my 5-star recommendation.
