Recipe Corner

Apple Honey Bar B Que Sauce With a Bite

*Grand Prize Winner, Great American Grill
Out Sauce Contest*

- 1/2 cup butter
- 1/2 cup corn oil
- 2 medium onions, minced
- 2/3 cup Jack Daniel's
- 2/3 cup ketchup
- 1/2 cup apple juice
- 1/2 cup honey
- 1/2 cup dark molasses
- 2 tsp. Worcestershire sauce
- 1/2 tsp. black pepper
- 1/2 tsp. salt

Melt butter in a large saucepan, add oil. Cook several minutes over medium heat. Add onions and saute until golden. Add remaining ingredients and bring to a simmer, stirring frequently. Reduce heat to low and cook until thick--about 40 minutes.

Makes about 4 1/2 cups.

Every Sat. & Sun. - 1:00 PM - Open Skeet & Trap
unless there is a scheduled event!
Every Mon. - 5:30 PM Trap/Skeet
Members and Guests

Thanks

Many thanks to **Bobby Sherrill** and his helpers (**Benny Emmons, Bill Schweitzer, Shane Cole, John Slocum, Jeff Zwiebel, Kenneth English, and Randy Walhood**) for their work installing the electrical supply for Field 5 on the shotgun range. This was two days of pulling wire, installing conduit and all the various things that go with it. The helpers now have a new appreciation for 'pulling wire'! The field is very near operational with the doors and windows being installed by **Al Barsh**. The skeet machines will then be installed along with the field distance markers.

This skeet field is the last one the Club can construct due to available space and should meet the needs of the Club. These projects are built with much volunteer labor and various donations. Volunteers built the foundation of our Club and continue to make it one of the best facilities in the state. Thanks to all who continue to help and make our Club great!

Thanks to **Gene Wills** who had the glass company replace the window in the Hunter Education classroom that was damaged when a lawnmower launched a rock through it. Gene also repaired the air conditioner in the center section of the building. The fan motor had gone bad and Gene donated his time to make this necessary repair.

The northern portion of the roof of the old building has been redone. The existing roof had several leaks and was badly in need of repair. The building space is used for storage and as a work area for the Club's many projects. This fall a project is planned to replace the masonite covering the broken windows on the west side of the building with steel siding.

We now have a new pump in the well that supplies water to the building and all the irrigation needs. The old pump was 'tired' and was in need of replacement. The new pump supplies more flow, which meets the needs of our ever-growing Club.

Randy Walhood

Oil up your mojo dove. The season is here!

David Anderson, Ed Kilgore and Betty Soliday

Notice

There will be a registered skeet shoot held at Grand Prairie Gun Club on September 23-25, 2005. This is one of our two annual registered skeet shoots. The use of the shotgun fields will be limited to the participants of the shoot only. These shoots make a profit that is used to improve our facilities. The success of the shoots is attributable to the group of volunteers that help cook, clean up, load machines, help with registration, keep water coolers full, etc. If you can help, please contact Randy Walhood at 214-850-1680. Thanks.

Be Courteous!
Reload the houses when
you finish shooting. Pick up
your hulls - clean up the
area a little - use
trash cans!

Give Jeff your email address and have your newsletter in color, quicker and save the club handling and postage!

General Info

The GPSDC Board approved plans to finish re-roofing the entry building and the small brick building behind it.

The pistol committee is planning on installing a 9 yd. target line in 2 lanes.
