Turkey Shoot

Thirty-five shooters played games on the trap field for the annual turkey shoot on Sunday, November 20, 2005. The crew of **John Slocum**, **Benny Emmons** and **Randy Walhood** manned the smoker to provide smoked turkey for the Sunday lunch as well as those that were sold to the lucky ones who ordered a smoked turkey. Thanks also to **Sharon Walhood** for providing stuffing and a casserole with lunch. **Bill Schwietzer** was also around to lend a helping hand in the preparations. The lunch is getting to be almost as important as the event!

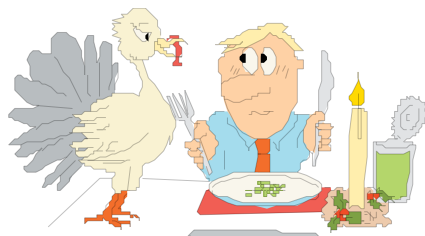

Turkey shoot-off: Richard Kummer, George Stevens and Benny Emmons. Randy scoring while John Slocum looks on.

Shane Cole pulls for Buz Owens, Joe Miller, John Slocum and Bobby Sherrill

Everyone seems to have a great time at this annual event, especially those who 'put out' one or two shooters in the 'Wolfchase' event. Whether it's luck or skill, they still smile like they just made the best shot ever. Everyone who continues to play wins a turkey or at least leaves well fed. Twenty-nine frozen turkeys were given away as prizes.

Thanks to all who attended and helped. If you were unable to make this event, try to mark your calendar for next year, as it's always a great time.

Comments

The GPSDC Board of Directors recently signed a lease for gas rights on the club property. This will not involve any physical drilling on the property itself. As a result of the lease, the Board made the decision to issue another class of share of the corporation.

All new shares purchased from GPSDC after November 1, 2005, will be designated as Class B shares and will not be eligible for any benefits derived from the mineral rights of the property. These shares will continue to be sold for \$750.

All shares that are not specifically designated as Class B shares will be considered to be Class A shares. These shares will retain full rights to receive any future benefits that may be declared by the Board. As of November 1, 2005, a total of 553 Class A shares have been issued.

Shares that are transferred to another shareholder will retain their class status when they are reissued.

If you have any questions, please contact any of the Board of Directors for additional information, or come to the Annual Stockholders Meeting on January 12, 2006.
