Education Classes Set for 2006

New schedule should be ready next month. 2005 was a great year for Hunter Education. The GPGC team of instructors excelled as usual and taught a record number of students.

Thank the instructors when you see them. They donate many hours to the club!

Keep the Club Clean!

Every 2 weeks Benny Emmons has a group empty all the trash cans, refill houses, and generally clean up. The rifle range is generally a mess of broken target frames, wire, paper targets, plates and cardboard.

This is your club. Please clean up the area when you finish and carry off trash and broken frames. Occasionally sweep the firing line. Be proud of our ranges and keep them clean.

Bourbon Marinated Steaks

6 Each T-bone or NY Strip steaks

Marinade:

- 3/4 cup olive oil
- 1/3 cup bourbon
- 1/4 cup steak sauce (preferably A-1 or Heinz 57)
- 6 cloves garlic, minced

Place the steaks in a glass or ceramic bowl. Mix marinade ingredients and pour over the steaks. Marinate the steaks, covered and refrigerated, for a couple of hours, turning occasionally.

Remove the steaks from the refrigerator 20 to 30 minutes before cooking. Cook steaks over a coal or gas grill, 2 minutes on each side for rare, 3 to 4 minutes on each side for medium rare.

Brush on the remaining marinade until done to your liking.

Discard any unused marinade or heat it up as a side making sure to heat it through.

Total cooking time: 4 to 8 minutes depending on doneness desired.

- 1/2 lb. mushrooms, sliced
- 3 scallion, thinly sliced

In a small bowl, mix together the vinegar, oil, cream, sugar and cayenne until sugar dissolves. In a chilled salad bowl, combine the lettuce, mushrooms and scallions.

Just before serving, pour on the dressing and toss.

Comments

The GPSDC Board of Directors recently signed a lease for gas rights on the club property. This will not involve any physical drilling on the property itself. As a result of the lease, the Board made the decision to issue another class of share of the corporation.

All new shares purchased from GPSDC after November 1, 2005, will be designated as Class B shares and will not be eligible for any benefits derived from the mineral rights of the property. These shares will continue to be sold for \$750.

All shares that are not specifically designated as Class B shares will be considered to be Class A shares. These shares will retain full rights to receive any future benefits that may be declared by the Board. As of November 1, 2005, a total of 553 Class A shares have been issued.

Shares that are transferred to another shareholder will retain their class status when they are reissued.
