## Wednesday Skeet League - Spring 2007

Six teams are having a great time. Only 3 more weeks to go and it looks like **Debra Altenbaumer** is the one to beat for HOA. First place team is up for grabs, the standings change weekly.

Many thanks to **Rick Stockstill** and **Josh Wells** for putting on this event and making it fun for everyone involved. When they decide to do another league you need to sign up quickly because it will fill up fast.

## Archery Shoot? To be or not...?

Dale Leaser wants to organize and sponsor a Competitive Archery Shoot in June. This will require a lot of help from other people if it is to happen. If you would be willing to help run the shoot let Dale know. GPGC has never hosted a shoot like this but Dale has the experience to make it work if he can get enough support and help.

If you will help then contact:

## Novice Skeet League underway...

Although there have been two rainouts so far and the turnout has been light, all participants are having a good time. We have two father and son teams from Denton that enjoy the shooting enough to fight 40 miles of I35E traffic to get there. Several of the shooters have not shot in years and just need some help to break bad habits and to re-learn the leads.

We want to thank the always helpful instructors for their donated time and positive attitudes. I hope I don't overlook any. Thanks **Bill Schweitzer, David Anderson, Gene Wills, Kerry Williams** and **Bill Ernst**.

If you have any questions or would like to join us come out Tuesday about 5:30pm till dark.

## Ivan Tabor Memorial Open Grand Prairie, Texas

April 14-15, 2007 brought cool temperatures and our famous Texas winds on Saturday for the shooters at the Grand Prairie Gun Club. Sunday proved to be a much more pleasant day with little or no wind and the temperature near 70. Saturday started early with a hot breakfast buffet in the clubhouse before the first flight shot at 9:00am. The 12 gauge had 50 shooters with **Pat Byrne** claiming champion with the only 99. **Dan Puyear** and **Gene Stewart** took runner up and 3rd with 98 and 97 respectively. **Mike Schmitt** won AA1 with a 93 (I think he was just glad this was over). **Herb Gundelfinger** won A1 with a 96. B1 was settled with **Jim Cervenka** posting a 95.

Lunch was served from 11 to 2 and consisted of brisket (cooked on-site) with all the trimmings. Club volunteers cooked and served shooters all day. Thanks to these volunteers, our shoots are getting famous for the food, our gorgeous clubhouse, the manicured fields, excellent targets and our hospitality. The 28 gauge had 48 shooters with **Herb Gundelfinger** posting the high score of 98 to claim Champion. Runner up was **Randy Walhood** followed by **Art Kirkwood** (both with 97's). AA1 was **Pat Byrne** with a 95. A1 was **Travis Holder** with a 94 and B1 was **Dakota Holder** with a 97 (Dad was lucky Dakota is not in his class).

## Ivan Tabor Memorial Open continued

Sunday morning started again with the famous breakfast buffet and then the 20 gauge event. The wind had diminished to practically nothing and the temperature was pleasant, right around 70. Six 99's were recorded out of the 52 contestants. **Vernon Drake** won the shoot off for Champion. **Rick Kirkpatrick** and **Pat Byrne** followed as runner up and 3rd. **Ran Davis** won AA1 with his 99. **Doug Toulouse** shook out of the shoot off with his 99 to take A1. B1 was **Gene Stewart** with a 98. Lunch on Sunday was smoked hamburgers and grilled chicken breasts. Again, many thanks to our members who like to cook and are excellent in their efforts. The 410 event had 51 shooters and **Pat Byrne** won Champion with a near perfect 99 (Pat won this event last year with a 99, I'm seeing a trend....). Runner up was **Vernon Drake** with a 98 followed by **Mike Schmitt** with a 97 for 3rd. AA1 was **Howard Huber** with a 95. A1 was **Phil Richardson** with a 96. B1 was **Jim Cervenka** with a 96. The high over all went to **Pat Byrne** with a score of 392 (Pat won last year with a 393, there's that trend thing again....). Runner up was **Mike Schmitt** with a 381 followed by **Randy Walhood** with a 380. **David Weintraub** took AA1 with a 371 and **Ran Davis** took A1 with a 379. Thanks to Grand Prairie's **Mike Skidmore** who manned the computer and kept things running like clockwork (as always). **Jim Speer** also helped with registration and keeping the scoreboard up to date. Thanks, Jim.

Not enough thanks can be said for the many volunteers who cook, clean, fill water cans, haul trash, do the administrative work, load houses, sweep sidewalks, mow and countless other activities that make a shoot possible. Our club could not operate without the input and assistance from our volunteers. This shows great pride in our Club and the facilities that we think are some of the best in the state. Come shoot with us in September at the World Warm Up! Check our website for a flyer ([www.gpgc.net](http://www.gpgc.net)).

## VOLUNTEERS NEEDED

The Club needs volunteers to mow the rifle, pistol and archery ranges. The Club has a riding mower and provides fuel. The Club also has a weedeater that can be utilized. All that is required is some of your time. These are areas that are difficult to mow with the tractor and are better suited for the lawn tractor. Helping keep these areas mowed and looking great is a great benefit to our members and impressive to the guests who may become future members of our Club.

If you can help out with any portion of this, please contact **Randy Walhood (214-850-1680)**. Thank you.

## Equipment needed!

Grand Prairie Gun Club could use an old table saw, band saw and radial arm saw if anyone needs to clean out the garage and would like to make a charitable donation. This would help with range repairs and making target frames!

Thanks to **Charles Richerson** for the drill press!
