On June 23rd, Jerry Couch received Texas Parks and Wildlife's Hunter Education Hall of Fame award. In the thirty-five years that the program has been in effect, forty instructors have received this award.

**Congratulations, Jerry!**

# Well done!

On August 21, 1993, Ron Bobo signed Randy Ivins' certification for his Hunter Education Class.

Randy spent 16 hours taking the course in a hot, dusty, noisy, mosquito trap of a converted sewage plant.

On July 9, 2007, Randy

brought his family back to an air-conditioned, clean, quiet, comfortable building to have them attend their Hunter Education Course.

Tammy, Caleb and Keegan finished the course on July 14, and Joe Cawthon signed Keegan's certification being the first second-generation student of our program.

A lot of water has gone under the bridge (literally) in this span, a lot of hard work by a lot of people.

Thanks to the Ivins family for their support and to the instructors and club members who have made this program the best in the state.
