Recipe Corner

Doves Brazos Valley

from justgamerecipes.com

6 Doves
1-1/2 sticks melted butter
1 Tbsp. Worcestershire sauce
1 tsp. Garlic salt
1/3 cup cooking sherry
1 cup chopped mushrooms
1/2 tsp. Ground nutmeg
Salt and pepper to taste
1/3 cup flour
Toast
Fresh grapes, for garnish

Brown doves on all sides in melted butter in a large skillet. After doves become brown, add remaining ingredients except flour. Cover skillet. Allow to simmer about 20 minutes.

Remove the doves from skillet; add to the sauce 1/3 cup flour, forming a roux.

Place doves on toast and top with sauce. Garnish with fresh grapes.

Thanks!

Thanks to Benny Emmons for bringing workers to unload an 18 wheeler full of clay pigeons for the gun club. Benny does this 2 or 3 times a year and has for years. Give him a big thanks next time you see him.

Air Gun Demo and Field Shoot!!!

Sunday, October 26th - 1:00PM

Charles Richerson, our resident air gun enthusiast is hosting the first GPGC Air Gun Demo Day. He is furnishing a large variety of air guns plus ammo for the shoot. Scotty York and his HOA Ladies Shooter wife are coming from College Station to help set up the course and organize the event. Several other expert Field Target Shooters may come to show us how and what to do.

Besides the event being FREE there are prizes. The door prize is a new in the box Winchester 1000X .177 cal. Also there are 3 gift certificates for the class winners. There will be a Precharged class, a Springer class and an Open Sights class. Charles will run five lanes with two targets on each lane. There will be two shots per target. After the first five lanes are shot we will back up into another shooting location and re-shoot the five lanes for a total of 40 shots.

15 shooters should finish in under 3 hours so sight in will begin at 11:00am and the match will start at 1:00pm. That should put shoot-offs for ties and the drawing for door prize at 4:00pm. The score cards will be dropped in the drawing box right after gift certificates are awarded to class winners and then we will have the drawing for the Winchester. Yes, you have to stay to win the Winchester Air Rifle.

Casual Shooting and Sight-in

If you don't want to shoot the event but would like to look at the guns or pop a few targets with no score keeping then there is an area for that.

The goal is to stir up enough interest in Air Guns to maybe start a group of field shooters. If you don't know much about this sport then come out for sure. You will be amazed at the kinds and power and calibers of the air guns. They start at .177 cal. and go to .50 cal. And some will shoot 200 yards.

If you have questions contact Charles Richerson.

Replacing Damaged Pole

Give a big thanks to Don Yeandle and Donny Penwell when you see them. They are both fairly new members that joined into the activities of the club as though they had been members forever. They both learned to shoot skeet not long ago and have made large advances. They shoot everything and participate in everything, especially the work projects. When the telephone pole was shot up to the point of breaking Don sent a full crew and a drilling rig to replace the pole and coordinated with Donny who brought a large crane to hold the baffles while pulling the old pole and resetting the new one.

It appears that the old pole was shot up from cross lane firing from station 11 or 12, the 25 yard fixed targets. Please look at what is in line with your shots when on the rifle range. When the poles and baffles are damaged it is very difficult and expensive to repair and it then forces the board of directors to re-evaluate the ranges and pass more restrictive rules on the ranges. In the near future there will be several changes on the pistol and rifle ranges to improve the ranges and to try to help eliminate cross lane firing.

Remember this club belongs to you, the member and when it is damaged it is you and your money that has to repair it. Please control your guests and take care of your club. Sweep up when finished and carry off the trash when it is full. Pick up after your self we have no paid employees. Let us keep the club nice and be proud of it.

Donny Penwell & John Slocum

Couples Night

Come and join us for an evening of shooting, eating, and enjoying each other's company. Couples can be any age male/female team. We will be shooting whatever we as a group decide to shoot that evening and those who don't shoot are welcome to come and supervise! We will have a pot luck style meal afterwards.

We are having this function at 6:00 PM the third Saturday of each month, Oct.18th. Please call if you are interested in participating.

Don and Sandy Yeandle
(817) 301-3188

Van Elliott, Brett Burnett & Dan Brown

Bullseye Shoot

Come on out & join us in shooting pistols. We shoot the standard 3 target bullseye match at 25 yards, slow, timed and rapid fire.

For those who want to shoot at a closer range, of 7 & 15 yards, you will be competing with those who also shoot at that range.

You can shoot any caliber except magnums. Cost is \$5 per Thursday evening. Improve your shooting and meet more of the shooters.

Dan Brown
972-264-7054

5-Stand Results

Hey everyone, sorry it's taken me a while to get the scores together, work has been BUSIER THAN EVER! Let's get the trophy fees paid and up to date! Here are the scores through 2 weeks of the league.

Thanks,
Jason

.22 Pistol Metallic Silhouette Shoot

Saturday Sep. 27th at 10:00am we had our monthly .22 pistol silhouette shoot. As we were setting up the range a little after 9:00 several shooters were already on the range getting in some quick sight-in shots.

We had 9 shooters with a variety of very nice .22 target pistols. The group of shooters has formed camaraderie and a lot of teasing goes on prior to the shoot but everyone cheers each other on. There seems to be new people each month and this is open to non-members. It is also a lot of fun to shoot. It is amazing how often pistol shooters shoot too low.

Oh, I forgot to tell you the results. First place was **Dan Brown** with a Ruger Mark II shooting a score of 36 with open sights and the most inexpensive pistol on the range. Second was **Terry Cullender** with a 34 ½ score with open sights on a S&W model 41.

Come out next month at 10:00 AM Saturday, October 25th, for our next fourth Saturday shoot.

If you have any questions email:

Something for the Kids

Don Yeandle will be running a Saturday morning 22. cal. Shoot for youths. It will be held on the 4th Saturday of each month. The shoot will consist of Gun Safety Instruction mixed with lots of fun shooting out on the range. We will meet at 10:00 on the clubhouse porch. The start time is flexible if all can agree.

Girls and boys age 7 to 13 years are welcome to participate. Youths 14 and up can work as assistants in the class room and field. They will also get some shooting time. We will start with 20 to 30 min. of safety, then shoot for an hour. We will take a snack break with some review of the instruction and shoot for 45 min. or until the ammo runs out.

What to bring??

- 1) 100 rounds of 22. cal. long rifle ammunition, none of the ammunition will be returned to the youths.
- 2) Bring their 22. caliber rifle if they have one, if not there will be extra guns you can use.

*****NOTE*****

The ammunition is to be given to the instructor or range officer by the parent upon arrival. (NO YOUTH WILL BE ALLOWED TO CARRY AMMUNITION)

- 3) Something to drink and a snack. There are soda machines inside the club house.
- 4) Ear and eye protection
- 5) Hat
- 6) Sunscreen

Experience level kids who have never shot a gun in their life to Billy the Kid. The shooting will be a fun learning experience, and at some point we can set up a friendly competition.

Any Questions feel free to contact me at 817.825.2535.

Look forward to seeing everyone on the rifle range.

Ryann, Cheyenne, Hayden & Jacob

Trapshooting Clinic

I am in the process of trying to set up a Trapshooting Clinic with Nora Martin Ross as the instructor. Nora is one of the premier trapshooters in the nation at this time and is undoubtedly the top female shooter. Nora is an ATA Hall of Fame member with a shooting career spanning over 32 years.

The class will be held at the Grand Prairie Gun Club. For information concerning the site go to www.gpgc.net.

The class will be a two day class with the first day beginning at 9:00 AM and ending around 5:00 PM. The second day will be slightly shorter. The cost of the class will be \$300.00 plus Targets and attendance will be limited to 10 participants.

The class will be during the week either in October or the early part of November, if possible.

Please email me or call me at 214-908-1464 if you have any interest so that I can reserve a place for you and continue with scheduling.

Summer Skeet League Results

We had a fantastic Skeet League this summer. The weather on Thursday evenings was comfortable, dry and not very windy. Even the hurricanes stayed away. The league was able to accommodate everyone who wanted to attend. We had 32 shooters divided among eight teams. The four man teams seemed to move the shooting along very quick. It was a first for GPGC and it worked out so well we're doing it again.

The final night, Position Night, revealed just how close each team was to winning an award in this handicapped league. The race for the top three team positions was in contention right to the bitter end. For five straight weeks only four points or less separated the four top teams, producing a lot of interest. The final evening saw 1st and 3rd place changes.

Many people became believers of the handicapped system we use, which was developed by GPGC member Rick Stockstill. The handicap, along with weekly shooting ability improvements, allowed all shooters to make a run for the awards. It kept this league in a very close race.

Congratulations to our winners:

Teams:

- 1st Place Champs (team #4) "Duh Boys" Team Captain Ken Flippin
- 2nd Place went to (Team #1) "Go Figure" Team Captain Bill Weatherby
- 3rd Place went to (Team #8) "Leftovers" - Team Captain Gene Stewart

Individuals:

- High Overall winner was Kerry Williams with a 444 (possible 450)
- Most Straights winner was Glenn Hughes with 9 (non-handicap)
- Most Improved winner was Steve Hambrick with a 1.33 improvement for 25

The last evening was capped off with an awards dinner and presentation of the awards. All winners were presented an engraved Belt Buckle award.

Here are the Teams and their standings for the GPGC Summer Skeet League

Team # and Name	Points	Avg	S/hc
4 - "Duh Boys"	21	22.72	29
1 - "Go Figure"	19.5	22.44	34
8 - "Leftovers"	18	22.28	32
5 - "Claybusters"	17	24.08	34
3 - "Lost & Dead"	10	19.81	26
7 - "200 x 200"	9.5	21.86	29
2 - "Improved Cylinders"	8.5	19.97	20
6 - "The Fun Bunch"	4.5	21.00	23

Summer Skeet League Awards Dinner

2008 World Warmup at Grand Prairie, Texas

The 2008 World Warm up was held at the Grand Prairie Gun Club on September 19-21, 2008.

The shoot was full and with today's economic times, we must be doing something right! We not only had our visitors from the UK, but also had an entry from Australia making our shoot truly international. The shoot also pulled shooters from Louisiana, Oklahoma and New Mexico. We sincerely thank all the shooters for coming to our shoot and making it a success.

The weather was as perfect as it gets for shooting in Texas. Clear skies, very light wind (if any) and mild temperatures prevailed for the entire weekend. We had forty-seven shooters on Friday for doubles, which was a record for the Club. **Pat Byrne** won the doubles outright with a lone 99. **Steve Landsfeld** took runner up with a 98 and **Tom Deaton** got 3rd with a 97.

Seventy-one shooters began with the 12 gauge event Saturday morning. Clear skies and no wind made the targets as good as they get. Three one hundred straights and 8 ninety-nines were posted the board. **Mike Jordan**, **Pat Byrne** and **David Weintraub** took to the shoot off field to determine Champ, Runner Up and 3rd. **Pat Byrne** won Champ, **David Weintraub** won Runner Up with **Mike Jordan** taking 3rd.

The 28 gauge had two one hundred straights and 9 ninety-nines. **Richard Funk** emerged from the shoot offs as Champion with **Gene Jackson** as Runner Up. 3rd went to **Chris Simmons** with a 99.

And a shoot at Grand Prairie would not be complete without our delicious

meals. We are fortunate enough to have members who volunteer (and can cook!) who arrive early to cook a buffet breakfast of bacon, eggs and hashbrowns on Saturday and Sunday. We had the world's best beef brisket for lunch on Saturday and steaks grilled to perfection for dinner Saturday night. The steaks were donated by **Joe Miller**, **Sharon** and **Randy Walhood**, and **Jeff Zwiebel**. Trust me, no one left hungry. Sunday lunch included

marinated grilled chicken breasts with various side dishes. Also, there was a soft serve ice cream machine that dispensed many bowls of ice cream for two and half days.

Sunday was another picture perfect day with seventy shooters in the 20 gauge seeking the championship. Three shooters posted 100's to make the evening shootoffs.

There were 11 ninety-nines (so close and yet so far!). **Pat Byrne**, **Tami Myers** and **Charlie Lucas** took to the shoot off field with Charlie dropping out early to take 3rd. Pat and Tami went a box and a half before Tami won

the Champion position (Pat, I'll send you your 'beat by a girl' pin in the mail). Another great shoot off in the 20 gauge was **Dakota Holder** and **Jeff Zwiebel** for A-4. They went a full box with Jeff dropping the last target to give Dakota the win. Great shooting!

Sixty-nine shooters took to the fields in the .410 and **Gene Stewart** won the

Championship with his 1st one hundred straight in the .410. Gene now has a nicely ventilated hat as a memento of this occasion. Three ninety-nines battled for Runner Up and 3rd. **Pat Byrne** took Runner Up with **Bill Myers** as 3rd.

The HOA Champion was **Pat Byrne** with a score of 398. **Pat Byrne** was the HOA champ at this shoot last year with his first 400.

World Warmup con't

Congratulations again Pat, for being at the top of your game at Grand Prairie. **Richard Funk** came in as runner up with a 397 followed by **Bill Myers** with a 396 taking 3rd.

For the fifth consecutive year, **Al Barsh** donated custom made knives that were awarded to the event champions. These knives were engraved with a description of the event and date.

Thanks Al for your great contribution to this shoot. **Mike Skidmore** was flawless in running the computer with **Jim Speer** making sure the scoreboard was always up to date. Thanks Mike and Jim, for all your help. And many thanks to all the club volunteers who cook, clean up, donate, load machines, take photos, tune up the machines, etc. We simply could not have these successful events without all the volunteers. We look forward to seeing all our shooters next year at Grand Prairie!

I attended 11 registered skeet shoots this year and I have to say the Grand Prairie shoots are some of the best in the State. This is a direct result of the people who volunteer to work a shoot (cook, clean, load houses, etc.). Our members make the difference in the attitude they convey to our guests. Everyone is greeted and thanked for coming to our shoot. What a difference that makes and it is something people remember and makes them want to come back next year! You may have noticed the new gun racks on every field. This is a direct result of the success of the

shoot and your willingness to volunteer. The following is a list of people who helped and what they did. Hopefully, I didn't leave anyone out. Thanks again for making GPGC great!

2008 World Warm Up Helpers

- Benny Emmons** – ‘the boss’
- Steve Gilmore** – in charge when Benny’s not looking
- Mike Skidmore** – computer
- Jim Speer** – computer, scoreboard and skeet machine expert
- David Todd** – asst. cook
