## Weekly Bullseye Pistol Season Over

Since the days are getting short, daylight runs out too soon to have our regular weekly Bullseye Pistol matches.

But the 4th Saturday of each month at 10:00 AM we will continue to hold the Metallic Silhouette Shoots for .22 pistols only. This match is drawing a larger crowd each month and is lots of fun to shoot.

The pistol committee is having a planning meeting at the gun club at 7:00 PM, Thursday, November 13th, to plan future shoots and events as well as the 2009 calendar.

Come out and give us your ideas or join the committee.

I would like to thank Dan Brown, Jim Wilson and Jim Grabbe for making the 2008 events happen. We look forward to even more in 2009.

## Grilled Venison Backstrap

*from allrecipes.com - courtesy of Garry Staples, Ohio*

- 2 pounds venison backstrap (tenderloin), cut into 2 inch chunks
- 1 quart apple cider
- 1-1/2 pounds thick sliced bacon
- 2 (12 ounce) bottles barbecue sauce, your choice

Place chunks of venison into a shallow baking dish, and pour enough apple cider in to cover them. Cover, and refrigerate for 2 hours. Remove, and pat dry. Discard apple cider, and return venison to the dish. Pour barbeque sauce over the chunks, cover, and refrigerate for 2 to 3 more hours.

Preheat an outdoor grill for high heat. Charcoal is best, but if you must, use gas. Remove meat from the refrigerator, and let stand for 30 minutes, or until no longer chilled. Wrap each chunk of venison in a slice of bacon, and secure with toothpicks.

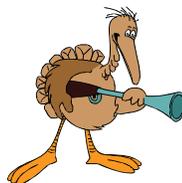

Brush the grill grate with olive oil when hot, and place venison pieces on the grill so they are not touching. The bacon will kick up some flames, so be ready. Grill, turning occasionally, until the bacon becomes slightly burnt, 15 to 20 minutes. The slower, the better. Dig in, and prepare to want more!

Serves 4.

Had a pretty cool opportunity yesterday to meet Glenn Eller, 2008 US Gold Medalist in trap doubles. He also now holds 2 world records. Check out that hardware he has hanging around his neck!

## Weekend in Mingus!

Mystii Nekuza, a member of GPGC, recently joined 45 other female shooters on a weekend trip to Mingus, Texas. While in Mingus the group enjoyed shooting sporting clays, five stand and wobble trap. A dove hunt was put together the second evening at the ranch. The dove were plentiful and fast flying! Several limits of dove were harvested- the best part is they were cleaned and packaged by the ranch hands. While dove hunting with the handlers and their dogs the group was able to enjoy the bugeling of red stag deer and the calls of mallard and pin-tail ducks landing on the pond. At the close of dove hunting the hunters were able to enjoy a picture safari and tour of the ranch. The double fenced game enclosure is 1000 acres and included bison, beisa oryx, red stag deer, black buck antelope, white tail deer, musk deer as well as several other african species. The purpose of the trip is to introduce female shooters to the outdoors and to encourage women to shoot and become familiar with all types of firearms. Lots of fun was had since the party held Saturday night was a Luau! Everyone was dressed for the theme and awards were given out for various accomplishments. Congratulations to Mystii for winning the Sporting Clays Afternoon Shoot!!

## Silhouette Match Results

Saturday, October 25th

Our normal shoot sponsor, Dan Brown was out of town so the helpers, Jim Wilson, Jim Grabbe and Terry Cullender set up the course and ran the match. The weather was perfect but for some reason our turnout of shooters was small, six total. But just as we started the event Don Yeandle and his group of 5 young .22 rifle shooters came to watch and we interspersed them in the empty slots so our event filled up.

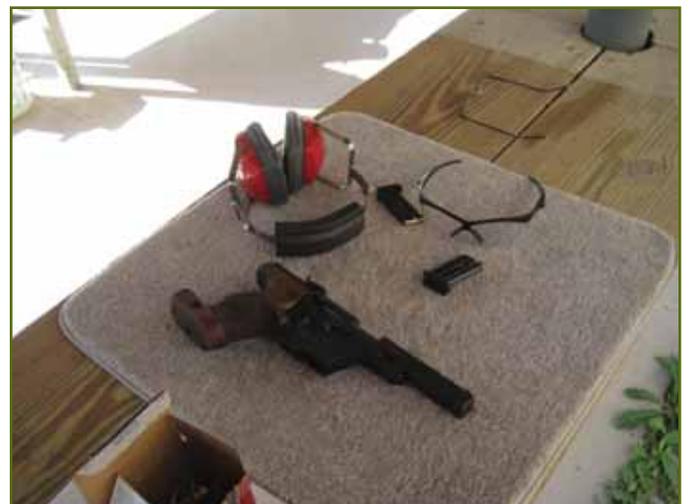

There was an adult behind each young shooter but it was obvious that they had all been schooled in safety and shooting manners and they fit in very well. As you can see from the pictures everyone was smiling and having a good time. This was one of the most enjoyable silhouette shoots I have attended.

Jim Grabbe won with a 34 out of 45 shooting his Walther Olympiad.

The next shoot will be November 22nd at 10:00AM. Everyone is welcome, even guests. Bring a .22 pistol, 100 rounds and \$10.

See you next time,

Terry Cullender

## Turkey Shoot November 23, 2008

Just a reminder for those that look forward to a day of fun and games at GPGC at the Annual Turkey Shoot. Club members only, please.

Make sure to put this on your calendar. Smoked turkey will be served from noon until 1:00 PM followed by shooting games and a chance to win a turkey (frozen).

Like always Benny will be smoking extra turkeys as a fundraiser. Order early. The birds will be ready to be picked up Sunday the 23rd. If interested in a savory bird – ready to heat and serve on Thanksgiving then contact **Bill Schweitzer** at [try8@verizon.net](mailto:try8@verizon.net) or **Benny Emmons** at [supreme@flash.net](mailto:supreme@flash.net) or sign up and pay on the daily shotgun shooting signup sheet in the office. Be sure to write turkey on the sheet and write your name clearly. We ask that you prepay to guarantee your reservation. The total cost will be \$25.00. Several members have already reserved birds. We are limited to about 25 birds and it is first come – first served.

The turkeys will be approximately 12 lbs.

# Air Gun Demo & Shoot Results!!!

October 26, 2008

The GPGC Air Gun Demo Day was Oct 26, 2008. The weather was great and the turn out was larger than I expected. With a lot of help from volunteers from the Club I set up a Field Target Range with a Casual Shooting Area next to it. I brought out most of my air guns to let the members look at, handle and shoot.

When the match started a 1:00 pm we had a field full of shooters signed up to complete in three classes. When the Field Target Match scores had been turned in Dale Holder won his class, Mike Vredenburg won his class and we had a tie for the hardest & biggest class between Benny Emmons and Bill Schweitzer. Great that means a shoot off and I love the drama of a shoot off. I told them to grab a gun and get ready to decide it. With everyone gathered around to watch

I pointed to a bell hung in a tree about 65 yards away and said first to miss is 2nd place. With us all looking on Bill won shooting a borrowed air rifle. The class winners each recieved a gift certificate from a Online Air Gun dealer.

There was a Winchester Air Rifle new in the box for the door prize for all who shot or helped put on the Air Gun Day. Joe Miller won it and looked very surprised. I figure a Grand Kid is due a nice Christmas present from Joe this year.

I want to thank all who helped me put this event on. Special thanks to Terry Cullender , Bill Schweitzer and Van Elliott. Check out the pictures Terry will be posting with this note. They will show you more than I can tell you.

# Something for the Kids

Don Yeandle will be running a Saturday morning 22. cal. Shoot for youths. It will be held on the 4th Saturday of each month. The shoot will consist of Gun Safety Instruction mixed with lots of fun shooting out on the range. We will meet at 10:00 on the clubhouse porch. The start time is flexible if all can agree.

Girls and boys age 7 to 13 years are welcome to participate. Youths 14 and up can work as assistants in the class room and field. They will also get some shooting time. We will start with 20 to 30 min. of safety, then shoot for an hour. We will take a snack break with some review of the instruction and shoot for 45 min. or until the ammo runs out.

What to bring??

- 1) 100 rounds of 22. cal. long rifle ammunition, none of the ammunition will be returned to the youths.
- 2) Bring their 22. caliber rifle if they have one, if not there will be extra guns you can use.

**\*\*\*NOTE\*\*\***

The ammunition is to be given to the instructor or range officer by the parent upon arrival. (NO YOUTH WILL BE ALLOWED TO CARRY AMMUNITION)

- 3) Something to drink and a snack. There are soda machines inside the club house.
- 4) Ear and eye protection
- 5) Hat
- 6) Sunscreen

Experience level kids who have never shot a gun in their life to Billy the Kid. The shooting will be a fun learning experience, and at some point we can set up a friendly competition.

Any Questions feel free to contact me at 817.825.2535.

Look forward to seeing everyone on the rifle range.

# October Sporting Clays Shoot

GPGC Members,

Lots to cover so here we go!

I hope everyone had a good time yesterday. Thanks to everyone that helped with set up, cooking, changing the course during lunch, cleanup and reloading traps afterwards. I hope I don't miss anyone as I'm trying to do this from memory, but here are several of the names of people that chipped in yesterday to make sure it was painless and enjoyable for everyone:

Benny Emmons	Howard Huber
Donny Penwell	Gene Wills
Dewight Sensbaugh	John Nix
Mysti Nekuza	Steve Gilmore

5 stand league scores current as of 10-13-08 are below.

Trophy fees: We still have several people that have shot various nights of the league and I have tracked them as if they are in the league, but I'm not really sure if they intended to participate or were just shooting for fun. Either way is fine with me but I need to get everyones trophy fees collected. We will still

pay wherever the trophies fall even if someone has been absent, if you pay you get to play.

Here are all the names I need an update/ trophy fee money on:

Ben Barnett  
 Brad Fitzgerald  
 Chris C. (I assume it's Chris Collinvetti)  
 Donny Penwell  
 Gene Wills  
 Jimmy Powell  
 John Nix  
 Keith Hill  
 Kerry Williams  
 Robert Nicolas

Please pay trophy fees ASAP if you want to be in for the money, if not I'm dropping names off the list to clean up the score tracking sheet.

I've already been asked if we'll have a league during Nov/ Dec, I say it's up to the members. If enough people want the league we'll keep it running, if not then we can just have recreational shooting on the nice days and skip the cold miserable ones.

*Jason*
