## GPGC Monthly Club Shotgun Event April 7, 2013

OMG, we had all five fields filled with shooters for the club shoot on April 7th. We shot 50 12-gauge; 50 28-gauge; and 50 trap.

12 Gauge had 21 shooters:

- A1 Will Chism - 48
- B1 Brad Fitzgerald - 47
- B2 Randy Walhood - 47
- C1 Adam Roberts - 47
- D1 Brian Roberts - 46

There was a good shoot off between Brad and Randy. They went several rounds before a bird was dropped!

28 Gauge had 19 shooters:

- A1 Jeff Zwiebel - 49
- B1 Richard Kummer - 47
- C1 Ed Crater - 33

Trap had 13 shooters:

- A1 Will Chism - 45
- B1 Adam Roberts - 41
- C1 Gerald Evatt - 39
- D1 Ted Shaw - 40

The next club shoot will be Saturday, May 11th. We will be shooting 50 12-Gauge, 50 Doubles, and 50 Trap. The weather should be good, so please come out and shoot in the club shoot. Just remember it will be on a SATURDAY!!!

## Congratulations, Ginny Warren! 2013 Skeet Shooting Ladies Honor Squad

Ginny has only been shooting for less than 4 years and has an average increase of .0592 to best high ladies shooters.

She credited her success to coaching from various GPGC shooters that have helped her develop her own

winning style. She has turned in a high of 95 in the 12, 20 and .410 gauges and a 99 in 28 gauge. Way to go Ginny!

## Youth Shoot Schedule 2013

Every 4th Saturday of the month we get together with our up and coming shooters. The youth shoot is for 8 to 17 year olds. During the cooler months, we begin our shotgun shooting at 10 am and move to the rifle range at 1 p.m. (October through April). Once the sun starts to get warmer, we move each event up an hour to 9 a.m. for shotgun and 12 noon.

May 25	June 22
July 27	August 24
September 28	October 26
** November 23	** December 28

\*\* For these 2 months we have 1 shoot and schedule it based on availability. The date will be e-mailed in November.

For more information or to be added to the Youth Shoot e-mail list please contact Don Yeandle at (817) 825-2535 or don@extramile2.com.

## Deer Poppers

By Elizabeth Knicely from food.com

### Ingredients

- 1 lb venison steak, cubed
- 1/2 teaspoon all purpose Greek seasoning
- 1/4 teaspoon steak seasoning
- 1 (16 ounce) bottle Italian salad dressing
- 1/2 cup jalapeno pepper, slices
- 10 slices bacon, cut in half
- Toothpick, soaked in water

### Directions

1. Season the venison meat with Greek seasoning and steak seasoning. Place in a bowl, and pour in enough Italian dressing to cover. Refrigerate for at least 2 hours to marinate, but preferably overnight.
2. Preheat the grill for medium heat. Drain the marinade from the meat, and discard the marinade. Place a slice of jalapeno on top of a piece of meat, then wrap with a slice of bacon. Secure with a soaked toothpick. Repeat with remaining meat.
3. Grill the deer poppers for 15 to 20 minutes, turning occasionally to brown the bacon. Serve and enjoy!

## In Memoriam

Last Monday, April 22, 2013, longtime gun club member, ROB DUNN passed away after a long battle with cancer.

Rob was primarily an avid golfer but loved to shoot a round of skeet as well. He was one of the first Monday night shooters many years ago and will be missed by many.

## .22 cal. Pistol Silhouette Shoot March 2013

It was a beautiful Saturday morning and 7 shooters came out to participate in the 4th Saturday pistol match. Joe Maldonado and Jack Grabbe were guest shooters.

There are two classes of shooter, one with scoped pistols and the other is open sights.

The yellow targets vary in range from 15 yds to 25 yds. and several at 50 yards. There are

12 stations with 5 targets at each for a total of 60 and each shooter has 10 shots per station. The little yellow chickens

are elusive and the target has to clear the stand for a count.

When the gun smoke cleared **Jim Grabbe**

was the scoped winner with a 55/60 but **Mike Horton** was right behind with a 54/60.

**Jim Wilson** used his TC with peep sights to control the open sights division with a 54/60. This competition is great fun. Everyone is invited so come out and enjoy a Saturday morning at the range.

## The Report from The Registered Line

Greeting dudes and dudettes. The National Skeet Shooting Association has announced its 2013 Honor Squad, and am proud to share the news that two GPGC members, Ginny Warren and Glea Davis, made the five member Ladies Team. Selection to the Honor Squad is based on shooting the concurrent standard and highest average increase over the previous year. Have a look at Ginny's and Glea's smiling faces in the April edition of Skeet Shooting Review. Great shooting you two!

Meanwhile at the Paxton Arms Metroplex, Dallas Gun Club (4/19-21), Mother Nature packed up the spring weather, delivering cold, breezy conditions for Doubles on Friday, followed by a good measure of windiness the following two days. The wind was Jon McDonald's friend, he rocked the Metroplex, winning AA HOA by shoot-off with a 393. He also got Runner-Up in the 28GA event by shooting one of only two 100's in that gun, as well as AA1 in the .410 bore (99 by SO). Shoot sponsor and longtime GPGC member Robert Paxton won 3rd overall in the HOA with a 394, by edging out Billy D. Williams in his shoot-off. Robert also claimed 3rd in the 28GA event by besting a half dozen others who had all shot 99's. Tom Sipe won B1 in the 12GA by beating 3 other 98's, Mike Gershick won B1 in the 20GA with the lone 98, and Mary DiGiovanni won B1 outright in the .410 with a 97.

Ladies and gentlemen, this report is skimpy because all of you are resting on your laurels. Let me know what you've been up to; the confidentiality of sources is respected.

# A Grand Prairie Salute to Penny Penwell

by Rocky Goodman

What better way to honor a long time veteran of skeet and World War II than to hold a first class skeet shoot? There could not have been a better place to host this event than the Grand Prairie Gun Club. What they lack in size is far outweighed by the effort that this member-owned club puts into an event. If you have never been to this club, you have missed one of the best venues in skeet for targets, food and hospitality.

Upon arrival at the club on Friday, I was amazed to see old 8mm film clips of the history of Penny's shooting career that looked to go back deep into the last century. The gun of choice back then looked to be a Model 12 pump gun that all seemed to use with great proficiency. These pictures also showed the three generation shooting legacy of the Penwell family. Certainly, there have been lots of three generation shooters, but I am talking about all three generations shooting together at the same time. Penny, Randy, Josh and Lonny... now, that is rare. Even though I saw the Ratcliffe family at this shoot, up close and personal, Jeff Ratcliffe about wore me out in the 12-gauge senior shootoff and his son, Jonathan, wore everyone out at the shoot by winning the 410 outright with no shootoff. But the one to watch out for is junior shooter Jake Ratcliffe, who came in third in the 410 event. That's all we need is another talented junior shooter in Texas kicking the old folks around.

We all know that when you go to a shoot in Texas in the spring, there is a good chance you may

be in a high wind situation. Well, a lot of skeet purists tend to stay home, but the tough ones come out to shoot in any condition. The charge into the wind was led by the Captain of the Texas First Team Van Boemer, who won a long shootoff against Pat Byrne for the 12-gauge title. Notable performances were put in by Clay Baldwin in both the 28 and 20-gauge with veteran Richard Karstetter and Jonathon McDonald pushing him all the way. The wind was blowing so hard during the 20-gauge shootoff, competitor Jeff Nekuza was so focused on the moving targets, he had no idea that he won third place, which brought some chuckles from his friends.

There was very little laughter in these shootoffs because of the severe movement of the targets. I think the quote from Shakespeare that "he who jests at scars never felt a wound" came into play, as there were a lot of wounded in the crowd of spectators. Nothing but respect was shown for those that showed up for the HOA shootoff, Pat Byrne, CH, Jonathon McDonald, RU, Clay Baldwin and Van Boemer.

Skeet is a different game depending on the conditions and I have learned to respect those that don't drop out more than those that pander to the benchrest game (conscientious chicken).

That brings me back to my closing story about Penny Penwell and some of his old shooting buddies. Back when I was President of TSSA, Randy Penwell came to me with a request to lower the required

# A Grand Prairie Salute to Penny Penwell

continued

targets for the Veteran and Senior Veteran All State Team. His fear was that his dad was so competitive, that he was going to kill himself getting these targets in the hot Texas sun. Of course, I said I would take care of that issue for him. Well, word of the impending change leaked out, and, as I was walking to the board meeting, I was met by a stern looking group, consisting of Penny, Charlie Hallman, Al Topham and other vets. The verbal fusillade that was directed at me actually loosened some of their denture work, to where it looked like a scene out of the "Alien" movie. I could not remember all that was said to me, but I did remember a few key points. Amidst some comments about my family lineage,

I distinctly remember them saying nobody was going to tell them how many targets they could shoot, certainly not some young, punk TSSA President (I was 54.) Needless to say, there was no motion made to lower the target requirements, as I was convinced that these guys were tough enough to handle anything on or off the skeet field.

With all that said, everyone is looking forward to another Penny Penwell shoot next year.

## Warren “Mr Penny Penwell” Memorial Shoot

We would like to thank you for your generous donation, all the time and effort. People like you make it possible for us to continue to honor Penny Penwell for this purpose. The Penny Penwell Memorial Shoot was created to honor and keep the sport alive that he so loved. I want to say thank you to these special people who gave their time and hard work - we could not have done this without you. I believe that it was a great success, and we are forever grateful to be able to do this for our father.

# Work Party

The workers this morning, April 6, 2013, were:

Will Cartwright	John McGlone
Ed Dotson	Jim Wilson
Mike Horton	Jim Grabbe
Mike Bromhall (drove the skid-steer)	Dan Brown

Mike Horton had his work truck there and supplied the users with 120 V to run drills and saws. He also used his arc blow gun to burn holes in a steel column to allow bolting the tie to the steel column. For a short while some creosote started burning because of the flame coming thru the steel's hole. A squirt bottle fashioned by Jim Wilson put out the fire. Mike Horton said the creosote dripping on his arm wasn't really fun...when he was burning the hole in the steel column.

Mike Bromhall, a new member, had his skid-steer, and used it to erect the ties that had been bolted together.

The pictures show that the plywood holding the gravel is badly perforated! And later we will need to pour some gravel in from the top when the bottom has been made less porous. There is probably 25 pounds of gravel under where Mike was doing the work on the 15 yard baffle.

We succeeded in replacing the RR ties that were badly shot up - that protect the overhead baffle support poles - replaced properly.

We have ~ 12 usable RR ties for other uses, located on the concrete pad besides the pistol range. They were moved over from in front of the pistol range pad by Mike Bromhall with his skid-steer, and Jim Grabbe and Jim Wilson wrestled them onto the skid-steers' forks and then into final place after Mike B had carried them around the other side with the skid-steer. This moving of the ties was done so that when the graveling of the parking lot and the road thru the pistol and rifle range area is done, they would not be in the way.

Regards, Dan Brown

# Bullseye Match Results

## April

**April 4:** We had 8 participants tonight. It was “January in April” weather, cold, clammy and felt like southern Alaska in the summer. Yuk.

The shooters were: Ron McCuller, Mike Horton, Floyd Jester, Ed Dotson, Hoa Nguyen, Jim Wilson and Jim Grabbe. I was hiding behind the camera.

The high scorers were: Ed Dotson shooting second place, scoring 268-6Xs, shooting his M 1911 45 ACP pistol with a red dot sight, ONE-HANDED.

Jim Grabbe, high scorer, with a 273-4Xs, using his Walthers GSP .22 with a red dot sight, shooting ONE -HANDED.

Hoa Nguyen, third, scoring 245-1X, with his M 1911 45, and a red dot sight, shooting ONE-HANDED. Congratulations guys! I am jealous you can do it ONE-HANED.

The optics type - for those shooters using them, is a red dot sight.

**April 11:** We had 9 shooters participate tonight. It was clear, beautiful evening, with no wind, and in the high 60’s. A climate we will wish we would have this summer.

The shooters participating tonight were: Meredith Turney and her Dad, Jim Grabbe, Floyd Jester, Jim Wilson, Hoa Nguyen, Ed Dotson, Dan Brown and Mike Horton.

The high scorers were: Floyd Jester, scoring third, with an iron sighted early manufactured Ruger Mk I, using a 2-hand hold, scoring 250-3Xs.

Jim Grabbe, first place, using a Walthers GSP and red dot sight, scoring 278-7Xs with a ONE-HAND HOLD.

Dan Brown, second place, using an iron sighted Ruger Mk II, scoring 260-3Xs with a 2-hand hold.

Congratulations Jim! He shot a 99 in timed fire, one-handed! Wow! And his daughter Meredith scored 94 on timed fire! Congratulations Meredith!

Thanks to Mrs. McCuller for taking the pictures. And thanks to Meredith for keeping score with her laptop.

The score sheet for tonight’s activity on the next page.

# Bullseye Match Results

## April continued

**April 18:** We had 12 competitors this afternoon. It was in the lower 60's and a beautiful time to be out & about, with the rain having dried up and was clear.

Jana Whaley, Jim Grabbe's daughter, joined us today, recovering after the birth of her 3rd child and some cancer problems. Jana, Glad to have you back!

The shooters were: Gary Ledbetter, Ed Dotson (hiding...), Floyd Jester, Ron McCuller, Joe Maldonado, Mike Horton, Hoa Nguyen, Jim Grabbe, Jana Whaley, and Dan Brown. Jim Wilson didn't make this picture, Meredith Turney took the picture.

The high scorers were: Floyd Jester, shooting his Mk II Ruger with iron sights, scored 262-3Xs using a two-hand hold for 2nd place.

Hoa Nguyen, shooting a Springfield M 1911 45 ACP gun and a red dot sight, scored 255-4Xs for third place with a ONE-hand hold.

Jim Grabbe, shooting his .22 Walthers GSP with a red dot sight, scored 262-4Xs for first place. He used a ONE-hand hold. Congratulations, guys.

So "X" s are important...

Thanks to Meredith Turney for taking the pictures with her iPhone and for recording the scores.

It is interesting to note that the high scorers tonight were ALL shooting ONE HANDED. Quite an accomplishment.

# Got Lead Shot?

***Best quality reclaimed shot we have used.***

This is the best quality reclaimed shot we have used. It is mostly a mixture of # 8 and 8 1/2. It is clean, re-graphited and shiny. We have been loading it for the last year in 12 and 20 gauge and recently started loading it in 28 gauge with our MEC 9000 G loader. It loads and shoots just fine in 28 gauge too.

We are placing an order each month to keep this shot coming and everyone's inventories replenished.

If you need shot, please contact us.
